

Monday 6<sup>th</sup> November 2017

**Anti- Bullying Week 2017**

Dear Parents/Carers,

As some of you may be aware Anti-Bullying week occurs every year for a week in November. The purpose of the week is to raise the profile of bullying in school and provide children with the skills and tools necessary to spot, stop and deal with bullying. We pride ourselves at Peover with our happy, caring ethos which allows children to be individual and confident in themselves. The theme of this year's Anti-Bullying week is:

To launch the week we are going to have an **Odd Socks Day** where the children can come to school in any odd socks they wish, the bolder the better. They need to wear their uniform as usual. Throughout the day we will have an assembly led by the Junior Safety Officers to share our new child friendly Anti-Bullying policy which will be written by the Junior Safety Officers and School Council. The week will continue along the Anti- Bullying theme with work being completed in classes and across school linked with what makes us all different and unique.

On **Friday 17<sup>th</sup> November** to end the week I would like to invite you to come into school for an assembly at **2:45pm**. This will be an opportunity for the children to share with you the things they have learnt throughout the week and also a chance for you as parents to become more aware with how we deal with bullying at Peover. If you cannot make this and would like more information please ask me for any of the handouts which will be used during this assembly.

Any questions please do not hesitate to ask.

Miss Crumbleholme  
PSHE and Emotionally Healthy Schools Lead
