

Peover Superior
Endowed Primary School

Friday 11th January 2018

Dear all,

Reading for Pleasure

As you are aware, reading is extremely important in the development of your child's learning, imagination and growth. Research shows that those children who read freely and for pleasure are more successful in their later lives than those who don't. This is why, at Peover Superior, we aim to instil this in the children from an early age. We give them countless opportunities to read for pleasure and children see the teachers as readers. Our Reading for Pleasure journey is continuing this year and school is going from strength to strength with this agenda. We now have countless high quality texts and the children and staff are really enjoying our Reading for Pleasure sessions.

Parent Workshop

Recently in school we have been developing our Reading for Pleasure and love of reading. The ethos in school is changing and I am thrilled that children, staff and even parents are beginning to share, swap and recommend books for both their peers and staff! Reading is such a key part of children's learning development. I will be holding a parent workshop on Wednesday 16th January 3:45-4:15 in Class2. This is a chance to get your reading questions answered, hear some of the current research out there around reading for pleasure and hopefully be inspired to go home and pick up a book! I will be discussing the difficulties of book bands and offering suggestions on what to recommend to your young readers. There will be recommended reads available also that are part of our school library that your child can take home with them to borrow. If there is anything specific you want to be covered during the workshop please let me know beforehand.

If you wish to attend, your child can go to Chill Zone for the duration of the meeting. Please bring the attached form back into school to sign up to the workshop.

Many thanks,
Miss Crumbleholme
English Lead

Reading for Pleasure

I _____ will be attending the Reading for Pleasure Workshop on Wednesday 16th January 2019.
