Friday 5th April 2019

Dear Parents and Carers

We have reached the end of another busy and fun-filled term in school, and despite the weather not behaving in a very spring-like manner, the children definitely have had a spring in their step these last few weeks. There have been lots of varied opportunities for cross-curricular learning, including an outdoor adventurous residential to Conover Hall for Class 2, coding and robotics workshop at Barclays Radbrook Hall for Y6 and a visit from a bee keeper.

Next term our whole school topic has a history focus – Castles. The children will be looking at the history behind castles in Britain and studying The Battle of Hastings as a significant event in British history. We are also entering the period of statutory assessment for Y2 and Y6. Further information will follow during the first week of the new term for those children involved.

As you are aware, Mrs Sumner begins her retirement today. We wish her a very happy retirement, she will be a much missed member of our staff team. Mrs Baines also finishes her MAT leave cover today. We are hoping that she will still remain a familiar face in school, returning for supply cover when needed! Mrs Ellis-Stansfield will return as Class 1's teacher on Tuesday 23rd April. She has already completed a significant handover period and is a familiar face to the children in EYFS.

Miss Yates and Miss Web are completing their PGCE's from MMU with us and have been in school for the last few weeks. They will continue their placements with direction from our super teaching team in Class 1 and 2 until the end of June. I am sure you will make them feel very welcome.

Finally, we are looking for a new home for our fish. We have 6 neon tetra's who would like a loving home as soon as possible. Unfortunately our fish tank is in need of repairs which are too expensive to be met from our school budget. Please let Janet know if you would like to rehome our fish. The fish tank is also a beautiful piece of furniture but needs a new pump, filter and lighting system. If you would like the tank, please let school know.

I would like to wish you all a very Happy Easter.

Yours sincerely

Mrs L Hesmondhalgh
Principal
