KS1 SATS Information Evening

Dear Parent/Carers,

As you are aware, children in Year 2 take part in national tests across the country. These tests can be administered at any point within the month of May. I would like to invite you into school on **Monday 13th May 2019 at 3:30-3:40** for a short meeting to explain to you the process and protocols for this year and to answer any questions that you may have around the tests. In year 2 we don't discuss the tests with the children and administer them in calm conditions in the classroom.

If you cannot make it please let me know if you want any additional information which will be shared at the evening. I have attached a leaflet with guidance from the DFE with the information for yourselves. There is also a link on the school website to information and a video from the DFE.
