**Design a Plate Competition!**

Dear all,

Katie has really enjoyed all of the wonderful and new recipes that we have had this year and the display in the hall is looking a little old. Your whole school homework challenge is this: Katie would like you to design your own school dinner plate to put on display in the dining hall. It can be as bright and bold as you wish and be made out of anything! You can use Paper Mache, tissue paper, paint, crayons or felt tips – the crazier the better!

You have until **June 22<sup>nd</sup> 2019** to make your plate and hand it in to Katie. She will award a prize in assembly for her favourite from each class so make them stand out!

You could choose anything from a roast dinner to an all-day breakfast or even Miss Crumbleholme's favourite- toad in the hole. There are so many to choose from and if you can't remember them all check the board in the playground for all options.

You need to choose your favourite school dinner to recreate (this can be a packed lunch too!) and there will be prizes for the best in each class.

Any questions please see Katie.

Good luck!
