'One Night Only'

Dear Parents/Carers

As you are already aware, we are starting preparations for our end of year show – 'One night only'. This will take place on Wednesday 17th July at 6.30pm for all the children in Class 2 and Class 3.

The show will be based on a Royal Variety Performance, allowing children to showcase their talents in Music, Drama, Poetry, Magic, Singing, Acrobatics etc.... We are looking for a variety of different acts to take part as well as whole class music, performance poetry and singing.

This Thursday afternoon (13th June) we are giving all the children the opportunity to audition as an act for the show. Children have been encouraged to use their talents and work together in groups to plan their audition/act, however, they may also audition alone. We have explained to the children that we are looking for 'potential' in their acts and will work with them over the next 5 weeks to polish their performances. Therefore children do not need costumes, music etc... for Thursday as we are looking for talent we can develop ready for the end of year show.

Example acts could be: musical performance, acrobatic gymnastic, joke telling, slap stick comedy sketch, dance, sports skills.

If your child wishes to audition, please support and encourage them this week. All children will be taking part with their own classes and will be part of the final show, even if they are unsuccessful in the auditions.

Yours faithfully

Mrs L Hesmondhalgh
Principal
