

Peover Superior

Endowed Primary School

Tuesday 9th January 2017

Dear Parents/Carers

Following our recent Ofsted Inspection on 29th and 30th November 2017, I am pleased to officially inform you that Peover Superior has been judged **Outstanding in all areas**.

Under the Education Act, I have a statutory obligation to ensure that all parents of children currently registered at the school receive a copy of Inspection Report. Attached with this letter is a hard copy of the report; a copy is also available on the school website – www.peoversuperior.cheshire.sch.uk. The Inspection report will also be published on the official Ofsted website next Monday.

As you can imagine, we are all extremely happy with the result of the Inspection; it reflects the hard work and dedication of everyone who has been involved with Peover Superior over the past few years. The report rightly recognises the commitment of all the staff, the overwhelming support of parents and the pride and exemplary behaviour of pupils which creates our very special 'small but mighty' primary school. We are looking forward to celebrating the school's success with you all.

I would personally like to thank the loyal families who have entrusted their children's wellbeing and education over the past few years. At times, it has been a difficult journey, but one which has reaped rewards for the children in our care. As Principal of Peover Superior and accountable for the children's education, I am thrilled that Ofsted have recognised what a fantastic school Peover Superior is. For our newer parents, thank you for choosing Peover Superior for your child (without the external validation which Ofsted now gives us).

The Outstanding judgement will not let us become complacent; we will continue with business as usual, ensuring that all our children receive the best possible start in life. As the report states, we are continually developing more effective ways of teaching and learning, innovating the curriculum to meet the needs of all learners and ensuring that our children are well prepared for the next stage in education.

Yours sincerely

Mrs L Hesmondhalgh
Principal
