28th March 2018

Dear Parent/Carers,

Reading for Pleasure

Read-A-Thon

Earlier this half term the children took part in a Read-A-Thon to raise money for school and also raise the profile of reading in school. I would like to thank all of the parents, carers, relatives and friends that so generously sponsored the children with this. All of the money has been counted and it is my pleasure to announce the total raised is: **£698.00!** This is an outstanding amount of money for such a small school and we cannot wait to start spending it on rich texts for the children to enjoy. We will keep you posted with updates regarding this as the school year progresses.

Parent Workshop Rearranged

Due to the closure of school on Friday 2nd March we were unable to complete the reading workshop. Recently in school we have been developing our Reading for Pleasure and love of reading. The ethos in school is changing and I am thrilled that children are beginning to share, swap and recommend books for both their peers and staff! Reading is such a key part of children's learning development. I will be holding a parent workshop on **Friday 27th April at 2:45pm** in school. This is a chance to get your reading questions answered, hear some of the current research out there around reading for pleasure and hopefully be inspired to go home and pick up a book! I will be discussing the difficulties of book bands and offering suggestions on what to recommend to your young readers. If there is anything specific you want to be covered during the workshop please let me know beforehand.

Yours sincerely

Miss Crumbleholme
