Dear Parents/Carers

With our Class 3 Residential only two months away, I am now passing on details about the children to the Colomendy Centre. They have asked me to provide them with medical information for the children attending, including any allergies and dietary requirements that they have.

Please complete the attached form by **Thursday 3rd May** so that I can enter the information into an online system.

If you have any queries regarding medication, please do not hesitate to come and speak to me.

Yours sincerely

Miss Pip Woodward
