Principal's Message - Mrs Munro

I can't believe how quickly the weeks have gone this half term. We have been so busy in school with our learning and making the school look wonderful with lots of new and exciting displays that the days have just passed us by.

This week, I have been teaching in Class3 and have thoroughly enjoyed listening to the discussions that we have had about the learning taking place. The children produced some fantastic descriptive pieces of writing showing a range of excellent skills. In class2, I have been doing some art and the children were really good at sketching and mixing water colours bridging back to skills they learned back in class1. In class1, I spent an after teaching computing where the children learning how to log on and off their laptops, as well as access PurpleMash using their individual usernames and passwords. The children were amazing at this and quickly developed the skills! On Monday, I came into school and was totally blown away by the transformation which had happened in the Reception classroom. It had been covered in a 'spooky' array of accessories and there were stations set up for the children's learning based all around the theme - spooky potion making, maths activities, phonic sounds and much more. I'm sure the children went home with lots of amazing stories - thank you to Mrs Ellis-Stansfield and her team!

Also this week, our year5/6 children took part in a netball competition at Holmes Chapel High. Our sports coach, Miss Oakley accompanied the children and said how proud she was of each and every member of the team who once again showed excellent teamworking skills as well as resilience and persistence - well done to you all!

Finally, I would like to remind you that I am available before and after school should you wish to speak to me about anything. In the meantime, have a wonderful weekend and you can follow my twitter account @MrsMunroPeover where I share snippets from each day in school.

- Please can children have their water bottles with them daily and just a reminder that we are a healthy school and break time snacks need to be a healthy option.
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- At the end of the Summer Term, we sent out consent forms for photo's/video to be used on our website and social media. Please could you kindly send completed forms back to school ASAP so that we can start upload photos etc of your children's learning in and

around school. We request the consent of parents/carers to take and use photographs and videos of your child for a variety of different purposes. Without your consent, we will not take and use photographs and videos of your child. Similarly, if there are only certain conditions under which you would like images and videos of your child to be used, the school will abide by the conditions you outline in this form.

Request for Absence:

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.
