Principal's Message - Mrs Munro

This week has been extremely busy at Peover Superior, everywhere I have turned there has been children fully submersed into their learning. The talk and the discussions which I have seen and been involved in have been truly fantastic and show a real love of learning. Lots of children have come to find me to show me the work which they are proud of or have just come for a chat about they have been doing in lessons - all of which makes me incredibly proud.

Once again, I have been teaching in all classes and have enjoyed the sessions with one of our school governors (and parent) Nicola Kelting, who is helping me to get ready to take part in

a gardening competition where schools can win monetary prizes to develop the green areas around their school grounds. Nicola not only explained the project to the children but also took them off in small groups around school to look and discuss ideas on how we could develop the grounds further. As well as this, she also conducted some science experiements in class3 looking at the germination process; all of which the children thoroughly enjoyed and are now excited to watch their seeds taking various forms as they start to grow - Thank you Nicola!

This week we also have some celebratory news which everyone at Peover is truly delighted about. Our Year3/4 football team took part in a competition at Holmes Chapel High on Monday, and because of their amazing teamwork, resilience and utter determination they came back to school with the CHAMPIONS cup! Miss Crumbleholme, who took the team to the competition, said how proud she was of them all and that they had all played a vital part in the game which had inevitably led to their success. A massive well done to them all. I am now very excited to be able to join Miss Crumbleholme next Monday at the Year5/6 football event to cheer on our Peover team!

Also, this week I have sat with Mrs Ellis-Stansfield to read through all the wonderful application letters for our new Pupil Leadership Team. The process was extremely difficult as we had so many wonderful applications from children in class2 and class3 all having ideas on how to drive our school forward throughout the year. In the end, we chose 12 members for our leadership team and these will be announced in our Friday Celebration Assembly. However, I did meet with our chosen Chair and Vice-Chair on Wednesday in order to congratulate them on their newly appointed roles and so

that they could accompany me on this week's tours of the school to our new prospective parents for September 2023. Both India, as Chair, and Josh, as Vice-Chair, truly did our school proud during these tours. They were confident and were able to tell parents all about what our 'Small but Mighty' school has to offer. The rest of the team will be revealed in next week's newsletter!

Finally, I would like to remind you that I am available before and after school should you wish to speak to me about anything. In the meantime, have a wonderful weekend and you can follow my twitter account @MrsMunroPeover where I share snippets from each day in school.

Harvest Collection for the Food Bank:

As a school will be collecting items for the Food Bank during Harvest. We would like any donations of non-perishable items **by Friday 14th October** ready for our whole school assembly.

If we have any bakers or anyone who can donate a Wheatsheaf Loaf for our harvest food bank display I would love to hear from you!

Friendly Reminders:

- As the weather is changing please could children ensure they have a waterproof coat, old trainers/wellies do that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and just a reminder that we are a healthy school and break time snacks need to be a healthy option.
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- At the end of the Summer Term, we sent out consent forms for photo's/video to be used on our website and social media. Please could you kindly send completed forms back to school ASAP so that we can start upload photos etc of your children's learning in and around school. We request the consent of parents/carers to take and use photographs and videos of your child for a variety of different purposes. Without your consent, we will not take and use photographs and videos of your child. Similarly, if there are only certain conditions under which you would like images and videos of your child to be used, the school will abide by the conditions you outline in this form.

Request for Absence:

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

Fixed Penalty Notices:

The LA will issue Fixed Penalty Notices related to irregular unauthorised absences and unauthorised. Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.
