Class 2 and 3 Duathlon Taster

Dear Parents/Carers

On Wednesday 9th May, the children in Class 2 and 3 will be having a Duathlon Taster session. Coaches from the Knutsford Tri Club Juniors will be in school during the afternoon to complete a duathlon taster session – Run, Bike, Run.

The aim of this is to give the children experience of a new sport, as well as encouraging as many children as possible to enter the Canute Kids Duathlon on Sunday 8th July (see the link here).

<https://www.canuteduathlon.com/junior-canute/>

The taster session will be for ALL children in Class 2 and Class 3. We appreciate that not all children may be able to ride a bike independently or have a bike of their own, therefore the session will be tailored accordingly. If your child does own a bike, please can you bring it to school on the morning of Wednesday 9th May along with their helmet? Even if your child doesn't own a bike they may have a helmet for a scooter, skates etc... please could they also bring their helmet.

We are extremely lucky to have this opportunity to work alongside the Knutsford Tri club, you never know we may have our very own Alastair or Jonathan Brownlee in school!

Yours sincerely

Mrs L Hesmondhalgh
Principal
