## Message from Mrs Munro

Welcome back after the half term break. I hope you all had a wonderful time. As you can see, I have been developing our Newsletter so that hopefully we will be providing you with lots of weekly information, and sharing our wonderful learning.

This half term is yet another busy one here at Peover Superior with the run up to the Christmas festivities. Children will be accessing some fantastic learning in all of their subjects, and I will be sharing some of their work each week in our Friday Newsletter as well as on our Twitter pages.

This week our Junior Safety Officers have given another important safety assembly about Bonfire Night and Fireworks, to ensure all of our children remain safe during such a wonderful event. Ask your children if they can remember the key safety rules.

Also this week, we have been making plans and preparations for Remembrance Day - as part of our outside display, we would welcome any poppies that you may be able to knit, crochet or make from plastic bottles or recycled materials and hand these to Janet or myself by Thursday 10<sup>th</sup> November.

As always, I am available daily during drop off and pick up should you need to speak to me about anything at all.

## Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

The LA will issue Fixed Penalty Notices related to irregular unauthorised absences and unauthorised. Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

## Friendly Reminders

- As the weather is changing please could children ensure they have a waterproof coat, old trainers/wellies so that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and just a reminder that we are a healthy school and break time snacks need to be a healthy option.
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure the safety of all children.

## Online Safety Tip of the Week

### What should I be aware of?

Chat Facility - Players can chat to each other on Roblox. You can add parental controls to turn this feature off completely or add restrictions.

Virtual Currency - Players can buy Robux (their virtual currency) to buy in-game upgrades or accessories. If you do not want your child to purchase them, then ensure your card details are not saved.

## Remembrance Day

On **Friday 11<sup>th</sup> November**, as a school we will be taking part in a 2-minute silence at 11am to **pause, breathe and reflect** on the service and sacrifices the Armed Forces make on our behalf. Our children will form a circle on the field by the joining of hands. Each child will be given *Poppy Seeds* to scatter in our designated remembrance garden after we have observed the 2-minute silence. We would like to encourage our children to wear some form of red on this day.
