Message from Mrs Munro

Another week has passed us by in the blink of an eye. This week I have had the opportunity to teach in Class 2 and 3 and it has been wonderful to see the work that has been produced, as well as hear the wonderful discussions around the learning taking place. I have also had the pleasure of listening to the Christmas Carol rehearsals and songs from our Nativity. As you can imagine I am extremely excited for the forthcoming festivities in order to see all of these wonderful performances come together.

During our weekly celebration assembly last week, the children were shown the new school Attendance Cup. This will be awarded each week during the assembly to the class with the highest attendance percentage for the week. As you can imagine there was lots of excitement. Reception were the first class to have the cup and it has been on display all week in their classroom - who will be the winners this week?

Thank you for all the kind donations for the charity Children in Need - we have currently counted £296 and are still counting all of the pennies we received in the smarties and fruit pastille tubes. We will let you know the grand total once we have finished totalling it all up!

This Friday, our Christmas Raffle Tickets go on sale during school pick up. We have some truly AMAZING prizes to be won thanks to the many kind donations we have had as a school. Tickets will be £2 each or £5 for a strip. All money raised through the sale of the tickets will go towards school funds.

As always, I am available daily during drop off and pick up should you need to speak to me about anything at all.

CARE ACHIEVE BELIEVE

Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

The LA will issue Fixed Penalty Notices related to irregular unauthorised absences and unauthorised. Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

Friendly Reminders

- As the weather is changing please could children ensure they have a waterproof coat, old trainers/wellies so that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and just a reminder that we are a healthy school and break time snacks need to be a healthy option.
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- Just a friendly reminder that dogs are not allowed on our school premises - thank you for your support with this.

Thank you!

A huge THANK YOU to our wonderful PTA and to you as parents for all the support that you have given us in raising much needed funds for school. With the money raised, the PTA have been able to buy our Reception children a large mini-beast rug for their class room and also purchased a huge selection of new maths resources for the whole school! Thank you once again!

PTA Event Reminder

Just a reminder about the PTA Christmas Event on the 15th December. This sounds like another amazing day for our children organised by our PTA team. Please could you send your £10 in a named envelope and hand over to Janet.

School Photo Reminder

All school photograph proofs should now have been brought home. Please can you ensure that you have either placed your order online or returned the proof to school with payment by Friday 2nd December 2022.

Head Lice

Head lice / nits are very common in children and their families and are picked up by head-to-head contact. If you discover your child has headlice, please would you treat them as quickly as possible.

Here is a link which explains what to look for and how they should be treated if needed:-
