Year 5 and 6 Tennis Stars

On Monday 23rd April, four children from Year 6 attended the Year 5 and 6 Tennis Tournament at Holmes Chapel Comprehensive School. After only a couple of lunchtimes practising with Mr Townsend, the team were rather uncertain about where was 'in' and where was 'out' as well as what would constitute a point. However, as soon as Ollie, Johan, Delila and Annie started playing they grew and grew in confidence and played some brilliant shots.

Ollie and Johan played in the Boys Doubles Tournament. They won 2 matches and lost 4 matches – most of those lost were very close and at various points Peover Superior were leading and the opposition fought back. Ollie and Johan finished in 5th place out of seven teams. Well done boys – you played with true grit and determination.

Delila and Annie were our representatives for the Girls Doubles Tournament. The girls won five of their matches very convincingly but unfortunately were beaten by Chelford in the final match. **The final result meant that three teams finished on 16 points – Holmes Chapel, Chelford and PEOVER SUPERIOR! Delila and Annie were the joint winners of the Girls Doubles Tournament!** Well done girls – you played brilliantly and worked well as a team. It was a great afternoon of tennis and hopefully it has inspired our four team members to continue practising their tennis skills. Thank you to all of the parents and siblings who came to Holmes Chapel to cheer the team on – there may have been a lack of strawberries and cream but at least there was no 'rain stopped play'!

Video Blog – Reading For Pleasure at Peover

As you know, we were delighted that Miss Crumbleholme was recently awarded the Reading for Pleasure Teacher of the Year 2018. The award was the last wonderful, piece of a research journey she had been involved in for the past year. The journey started when she attended a conference held at Ash Grove Academy and listened to Professor Teresa Cremin share her research on the importance of

Class Blogs

As we move towards an increasingly digital age, we are now adding our school news to blogs instead of updates on the newsletter. All the class teachers, including myself have a blog page to keep you updated. The link below will take you to the Class Pages on our website. From there you will be able to see each Class blog. These are updated every few weeks. Other news may also be added to the news section of the website.
