CARE **ACHIEVE** **BELIEVE**

Message from Mrs Munro

What a wonderful week we have had here at Peover. All of our children have worked incredibly hard and we have seen some amazing progress. I have had the opportunity to teach in all classes this week, and have been truly delighted by the excitement our children when they have recognised their own progress and confidence in new learning.

The snowy weather has once again made it possible for our children to have lots of excitement outside on the field; all of which has been wonderful to watch. I have also come to school in my wellies so I could join in with the fun!

Bikeability was unfortunately cancelled for our year 4 and 5 children due to the weather conditions on the playground and the roads, but our wonderful Janet has rescheduled these and we will let you know of the dates once we receive confirmation. We believe that this is an essential life skill and a wonderful opportunity for our children to have.

This week we have had some new trim-trail installed on the field area and new fencing around the car park - all of our children (as you can imagine) are very excited to try out the new trim trail once all the snow has cleared.

We have had some more parent/grandparent readers in school again this week volunteering to listen to some of our children. It is so lovely to walk around school and see all the spaces being used for reading and learning!

Thank you to the PTA for their Coffee and Cake afternoon today - an invitation open to all parents/grandparents who would like to join the PTA team to help raise funds for school.

As always, I am available before and after school should you wish to speak to me about anything at all.

Mrs Munro

Dates for your Calendar

23.1.2023	Y5/6 Volleyball Workshop
27.1.2023	Grandparents Afternoon
1.2.2023	Y5/6 Basketball A Tournament
1.2.2023	KS1 SATS Parent's Meeting (Y2 Parents)

CARE ACHIEVE BELIEVE

Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

The LA will issue Fixed Penalty Notices related to irregular unauthorised absences and unauthorised. Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

Friendly Reminders

- As the weather is still cold and wet please could children ensure they have a waterproof coat, old trainers/wellies so that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and a healthy option break-time snack.
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- Just a friendly reminder that dogs are not allowed on our school premises - thank you for your support with this.

Grandparents Afternoon

Grandparents Afternoon

We are inviting all grandparents to come into school on Friday 27th January from 2.15 - 3.30pm.

The theme of the afternoon will be 'Memories'.

Can you bring along a favourite memory of your time at primary school?
Can you bring a photograph of you at primary school to share with the children?
Do you have a favourite childhood book that you'd like to share?

During the afternoon, there will be time to share your special memories and enjoy reading and completing different activities with your grandchild/grandchildren. You'll then be invited to attend our special Celebration Assembly.

We are looking forward to a lovely afternoon together.

Safe Parking

Just a polite reminder to park safely when dropping off children in the morning and at collection time. Please do not park on the zig zag lines either at the front or side of school at any time of day and where possible try to use the lay-by areas. This will ensure the safety of everyone crossing at this busy time. The local PCSO will be monitoring the parking in the near future.

Thank you for your support with this.

Sustainability - Top Tip of The Week

Avoid Disposable Items

In our throw-away society, it's easy to forget that **we're creating pollution every time we use a disposable item.** From the paper cup we use for our morning coffee to the plastic forks and knives we use at a picnic, disposables add to the waste and pollution problem. Disposables are made from petroleum-based products, which means they're not biodegradable. They'll sit in landfills for centuries, leaching toxins into the ground and water. In addition, the production of disposables creates pollution in the form of smog and greenhouse gases. The next time you're reaching for a paper plate or a plastic bag, take a moment to think about the environmental impact of your choice.

Reading to your child

It might seem like everything has gone digital, but books still play a very important part in school life. As well as giving your child a head start, developing a love of reading can be really enjoyable.

Make books and stories part of everyday life:

- Build a reading story into a routine, e.g. a story at bedtime.
- Stick your feet up and let your child see your reading a book.
- Go to the library so your child can choose some books to borrow for free.
- Read in fun places, e.g. a den made from blankets.
- Give books as birthday presents - this will show you value them.
- Keep books in your bag or the car.

Safeguarding Tip of the Week

Medicine Safety Top tips for storing medicines safely

Put medicines away every time. This includes medicines and vitamins that you use every day. Always relock the cap on a medicine bottle. If the bottle has a locking cap that turns, twist it until you hear the click or cannot twist anymore.

Remember, even though many medicines have safety caps, children may be able to open them.

Every medicine must be stored up and away and out of children's reach and sight.

Teach your children about medicine safety.

Teach your children what medicine is and why you or a trusted adult must be the one to give it to them.

Online Safety Tip of the Week

Welcome to our 'Online Safety Tip of The Week'. On each newsletter, we will provide you with some useful hints, tips, guides and fact sheets from the [National Online Safety \(NOS\)](#) website that you as parents and carers will be able to use to help keep your child safe whilst online.

This week's free online safety guide focuses on 'TextMe'. TextMe is a free texting and calling service. Users can send texts, voice messages, pictures and videos to any phone number in more than 40 countries. The app is free and available to install on any Apple or Android device. On registration, it assigns a 'new' mobile number to each user, effectively making them anonymous. TextMe is recommended for people above 10 years old, but there is currently no way to determine a user's actual age: children under 10 could easily bypass this age criteria, since no verification is required to download the app.
