Message from Mrs Munro

We have had another busy week in Peover with lots of exciting learning across school. Our Reception children have been working on their superhero story and it has been wonderful to see all the fantastic superhero vegetables coming into their classroom throughout the week and to hear all about their new book, which they are reading together. In Class One children have been finding out about the history of Jodrell Bank and the impact which it has had on our local area. Class Two have continued their work on circuits in Design and Technology and were excellent at adding in LEDs and switches. Class Three started their computing unit on Spreadsheets and also explored Microsoft Excel. So, all very exciting and once again it has been wonderful to walk around school and drop into lessons to listen to and chat to our children about their learning.

A massive well done to our Yr5/6 children who attended the basketball tournament on Monday at Holmes Chapel Comprehensive with Miss Oakley. They came 2nd and played brilliantly throughout, demonstrating great teamwork and resilience. They came back to school with medals and were congratulated in today's celebration assembly.

Just a reminder that we have Parent's evening approaching on Tuesday 14th March (Face to Face) and Wednesday 15th March (Virtual). I will be conducting the Class1 sessions this time and look forward to seeing you year1/2 parents.

This week Nicola Kelting (our Eco Governor) has been organising a Eco Gardening Day. The plan is that on **Friday March 24th** all children will be involved in gardening and planting around school. Mrs Kelting will be taking small groups of children throughout the day to work on little projects around the school. In order for this event to run smoothly, we will need some parent volunteers who can offer an hour or two throughout the day (hot drinks and biscuits provided!) If you are interested please could you let Nicola know.

Finally, our PTA have some amazing events planned for this school year, the latest one being The Big Peover Plod! Please see the PTA page of this newsletter and the attached leaflet for more information on how to become involved in this fun event!

As always, I am available during drop off and pick off each day if you need to see me about anything at all. Mrs Munro

Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

We are receiving a large volume of holiday requests during term time, please be aware that these are unauthorised and the LA will issue Fixed Penalty Notices related to irregular unauthorised absences.

Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

Friendly Reminders

- As the weather is still cold and wet please could children ensure they have a waterproof coat, old trainers/wellies so that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and a healthy option break-time snack - **this should be an appropriate portion so that our children eat and enjoy their lunchtime meal.**
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- Just a friendly reminder that dogs are not allowed on our school premises - thank you for your support with this.

Safe Parking & Dogs

Just a polite reminder when dropping off children in the morning to park safely. Please do not park on the zig zag lines and where possible try to use the lay-by areas, and not park directly outside of the school. This will ensure the safety of everyone crossing at this busy time.

Also, we have been asked to remind families that dogs are not permitted in the park opposite the school.

Thank you for your support with this.

expressuniform

Express Uniform are running a two-week promotion through various schools to help parents purchase any top up items for school uniform.

They would like to offer free shipping for online orders placed from Monday 13th March to Monday 27th March. Orders will be delivered and can then be collected from school on Friday 31st March.

The online code is **freeship**

Sustainability Top Tip

Be water wise - Part 1

Skip the bottled water. Bottled water companies try to give tap water a bad name, even though the water from your tap is practically free and has often come out better in quality tests and taste tests against name-brand water. Also, the extraction of water and production of all those plastic bottles is notoriously harmful to communities and wildlife.

Online Safety Tip of the Week

Welcome to our 'Online Safety Tip of The Week'. On each newsletter, we will provide you with some useful hints, tips, guides and fact sheets from the [National Online Safety \(NOS\)](#) website that you as parents and carers will be able to use to help keep your child safe whilst online.

This week's free online safety guide focuses on the free-to-play multiplayer vehicle football game '[Rocket League](#)'. Despite being rated PEGI 3 (which means that it is considered suitable for children of any ages) due to its online features, appropriateness cannot be guaranteed. Developed by Psyonix, part of the Epic Games family (which includes Fortnite and Gears of War) Rocket League is a football game where instead of running, the players drive rocket-powered cars. The game can be accessed via Playstation, Xbox, Nintendo Switch, Windows, MacOS and Linux...

Reading to your child

It might seem like everything has gone digital, but books still play a very important part in school life. As well as giving your child a head start, developing a love of reading can be really enjoyable.

Make books and stories part of everyday life:

- Build a reading story into a routine, e.g. a story at bedtime.
- Stick your feet up and let your child see you reading a book.
- Go to the library so your child can choose some books to borrow for free.
- Read in fun places, e.g. a den made from blankets.
- Give books as birthday presents - this will show you value them.
- Keep books in your bag or the car.

Coronation Planning

CARE ACHIEVE BELIEVE

As you are all aware, we have a very exciting historical event on the horizon:

The King's Coronation.

Therefore, as a school we would like to mark this very special, event and have started to put together our plans.

We will be celebrating this event on Friday 5th May and would like to have a 'themed' cake sale and raffle after school. All cakes to have a Coronation theme of red/white and blue, Union Jack's etc. I have added some ideas below.

All donations will be gratefully received and funds raised will go towards our wonderful school.

Happy baking!
