## Message from Mrs Munro

What a wonderful week we have all had this week at Peover! It was great to see so many of our parents attending the parents' evenings with our teachers, and hearing such lovely feedback from you about our school and our staff; as you can imagine it makes me incredibly proud of our small but mighty school! Hearing about all the progress our children are making is so amazing and listening to the excitement from our teachers, as they discussed this progress with you, was lovely. Thank you to you all for attending.

Also this week, our gardening club children have been helping Mrs Kelting and Jayne to plant flowers around school. It is great to see them dressed for all weathers and going outside to develop their gardening skills. It truly is a wonderful opportunity for them because as well as learning some key skills, this session helps them with their mental health and well-being. We are holding an Eco Garden day at school on 24<sup>th</sup> March. Information about this can be found at the end of this newsletter.

Thank you to the Parish Council this week for donating a tree to our school to mark the historical event of the King's Coronation. Nicola Kelting has chosen a beautiful Magnolia tree for our grounds, which will be planted by our children and will have commemorative plaque.

Another thank you this week goes to Miss Oakley our Sports Coach, who took a team of yr5/6 children to compete in the Tag-Rugby tournament at Holmes Chapel. Once again, Miss Oakley reported back that our children were a true credit to our school. They displayed excellent teamwork, resilience and sportsmanship. Although they didn't win the event, they came back to school delighted to have been able to take part. A massive well done to the team and Miss Oakley!

PTA news - The PTA now have more information about the Summer Ball in June. Posters are now displayed in Mr M's Den in the playground and the team would like you to sign up and choose your meal option. Payments will be collected at a later date.

As always, I am available during drop off and pick off each day if you need to see me about anything at all.

Mrs Munro

As you are all aware, Miss Reeks has been off school due to illness. She has now made the sad decision to leave our Peover family at the end of April. She is hoping to pop into school to see us all before her leaving date just to say goodbye.

Class1 will continue to have Mrs Rimmer and Mrs Rachubka until Easter.

I am sure you will join us in wishing Miss Reeks lots of love and luck in her future plans. She has been a valued member of the team.

A separate emailing has been sent to our Class1 parents.

## Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

**We are receiving a large volume of holiday requests during term time, please be aware that these are unauthorised and the LA will issue Fixed Penalty Notices related to irregular unauthorised absences.**

Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

## Friendly Reminders

- As the weather is still cold and wet please could children ensure they have a waterproof coat, old trainers/wellies so that they are prepared for all weathers and can continue to be outdoors.
- Please can children have their water bottles with them daily and a healthy option break-time snack - **this should be an appropriate portion so that our children eat and enjoy their lunchtime meal.**
- Just a friendly reminder that the back gate will be open each morning and after school for the school taxi and for disabled access use only. This is to ensure safety of all children.
- Just a friendly reminder that dogs are not allowed on our school premises - thank you for your support with this.

## Safe Parking & Dogs

Just a polite reminder when dropping off children in the morning to park safely. Please do not park on the zig zag lines and where possible try to use the lay-by areas, and not park directly outside of the school. This will ensure the safety of everyone crossing at this busy time.

Also, we have been asked to remind families that dogs are not permitted in the park opposite the school.

Thank you for your support with this.

expressuniform

Expressuniform are running a two-week promotion through various schools to help parents purchase any top up items for school uniform.

They would like to offer free shipping for online orders placed from Monday 13th March to Monday 27th March. Orders will be delivered and can then be collected from your school on Friday 31st March.

### Sustainability Top Tip

#### *Be Water Wise - Part 2*

Water conservation is critical, especially as our growing population puts increased demand on the nation's water sources and we face unprecedented droughts. You can conserve water by taking shorter showers, fixing leaky toilets, and choosing low-flow and low-water appliance options.

Also, consider xeriscaping your yard, a landscaping technique that uses native, drought-adapted plants that require less water and maintenance over time, and provide habitat and food for birds and trees.

### Safeguarding Tip of the Week

#### *Physical Abuse*

This week our focus is on physical abuse. Physical abuse is defined as deliberately hurting a child and causing physical harm. Physical abuse is an adverse childhood trauma and can cause physical and emotional issues as the child develops into an adult. Signs that may show that an injury has been caused non accidentally, are bruises, burns, bite marks, fractures and broken bones. If a child is frequently injured, this may also be a cause of concern. Children who are physically abused may make up excuses for their injuries to protect the people causing them. If you are concerned that a child is in immediate danger of harm, call the police on 999. For more information visit the NSPCC website <https://www.nspcc.org.uk/what-is-child-abuse/types-of-abuse/physical-abuse/> If you are worried about a child but are unsure of what to do contact the NSPCC helpline on 0808 800 5000.

### Reading to your child

It might seem like everything has gone digital, but books still play a very important part in school life. As well as giving your child a head start, developing a love of reading can be really enjoyable.

Make books and stories part of everyday life:

- Build a reading story into a routine, e.g. a story at bedtime.
- Stick your feet up and let your child see you reading a book.
- Go to the library so your child can choose some books to borrow for free.
- Read in fun places, e.g. a den made from blankets.
- Give books as birthday presents - this will show you value them.
- Keep books in your bag or the car.

### Online Safety Tip of the Week

Welcome to our 'Online Safety Tip of The Week'. On each newsletter, we will provide you with some useful hints, tips, guides and fact sheets from the [National Online Safety \(NOS\)](#) website that you as parents and carers will be able to use to help keep your child safe whilst online.

This week's free online safety guide focuses on the video-sharing app: [TikTok](#). TikTok is a free social media platform that lets users create, share and watch short videos ranging anywhere from 15 seconds to 10 minutes in duration. The app gained notoriety for its viral dances, trends and celebrity cameos and can be a creative, fun platform for anyone 13+ (although some features are restricted to over-18s only). However, like all social networking platforms, TikTok can be addictive: figures show that children spend an average of 102 minutes per day on the app.
