CARE ACHIEVE BELIEVE

Message from Mrs Munro

What a wonderful week it has been with the weather and forecasts suggest that this weather is here to stay for the half term break! The children have had the opportunity to use the field during break and lunchtimes and it has been lovely to watch them play, laugh and enjoy the outdoors.

This week, I have had the opportunity to teach in every class and it has been great to spend time with the children. Reception have been telling me all about their pirate theme, Class 1 were able to tell me all about plants and how they grow from a seed, Class 2 were writing an explanation text about volcanoes and in Class 3 we continued using PurpleMash (our computing software) to make our text adventure games - coding and debugging.

Well Done this week goes to our year 3/4 children who took part in the rounders tournament at Holmes Chapel on Wednesday after school. Miss Oakley was incredibly proud of them all for excellent team working skills. They came 3rd overall and have come back to school with medal!

After half term, we will be preparing for our Tatton and Arley Hall Garden shows. Our gardening club children have entered the school into this year's competitions. These take place in July and we are appealing for anyone who could possibly donate any of these items to help with the overall design: Peat Free Compost, Plants, Marine Ply wood (2m high sheets) or Pond plants. Please let me know if you are able to kindly donate any of these items.

Finally, I would like to take this opportunity to wish you all a wonderful half term break. It is a very busy last half term when we return on **Tuesday 6th June**, but we have lots of exciting events planned in the calendar.

Just a reminder that I am available before or after school should you wish to speak to me about anything at all - have a wonderful Bank Holiday weekend!

Mrs Munro

Dates for your Calendar

SUMMER 2	
26.5.2023	School Closes (Half Term)

Congratulations

This week, we would like to Congratulate Miss Crumbleholme in successfully securing a new role at one of our Aspire Trust Schools. She will begin her new journey, as a Phase Leader for KS1, from September.

Miss Crumbleholme, has been part of the Peover Staff team for the last **8 years** and has been a wonderful asset to the school. She started as a class teacher in KS1, spending many years in class 1. In the last few years, she has been part of the Senior Leadership team as Assistant Head; supporting in the leadership of the school resulting in another outstanding OFSTED inspection, whilst also ensuring all of our children have long-lasting memories.

She has sparked a love of reading and a passion for all thing's pink whist being at Peover. We will miss her bubbly personality, sense of humour and many catch phrases which we have all grown to love over the years.

I'm sure you will join us in congratulating her on her new position, and wish her well for the start of her New Adventure.

Request for Absence

We are receiving a large volume of holiday requests during term time, please be aware that these are unauthorised and the LA will issue Fixed Penalty Notices related to irregular unauthorised absences.

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances. It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

Failure to make payment will result in the LA taking legal action for failure to ensure regular attendance at school

Friendly Reminders

- The rear car park gates at school are only to be used by those requiring disabled access and for the school taxi. This is to ensure the safety of all children.

Dogs are not permitted onto the school site. Furthermore, dogs are not to be left tied up unattended to the fence. The school's priority is the

Parking

During the restricted times shown on the signs, you are **not allowed to stop on zig zags or yellow lines** even just for a minute to drop a child off.

Always check the time restrictions on the signs.

Zig zag markings and other parking restrictions are there to protect children. If you ignore the restrictions, you risk hurting children

Biodiversity Ideas

Waste and recycling

WRAP estimates that on average each UK secondary school produces 22kg of waste per pupil each year, rising to 45kg per primary school pupil! With over 10 million pupils in UK schools this is more than 250,000 tonnes of waste annually. To tackle this, schools can try to reduce the use of single-use plastics, switch to reusable items and demand change from their suppliers.

REFUSE AND REDUCE

Know your waste – don a pair of rubber gloves and conduct waste audits with your students to find out what the most common items being thrown away are. Get some eco-helpers to sort through the waste, record the types of items and how many you find. Multiply your sample to get a whole school estimate of the amount of waste you throw away. Once you've got your results, group them together – are there common items being thrown away which could be recycled? Are there any items that you could stop using as a school completely?

Consider the waste hierarchy in all aspects of your organisation. Refuse, Reduce, Reuse, Recycle and Rot all come before Rubbish, and preventing waste (refusing and reducing) come before recycling.

Reading to your child

It might seem like everything has gone digital, but books still play a very important part in school life. As well as giving your child a head start, developing a love of reading can be really enjoyable.

Make books and stories part of everyday life:

- Build a reading story into a routine, e.g. a story at bedtime.
- Stick your feet up and let your child see your reading a book.
- Go to the library so your child can choose some books to borrow for free.
- Read in fun places, e.g. a den made from blankets.
- Give books as birthday presents - this will show you value them.
- Keep books in your bag or the car.

Online Safety Tip of the Week

Welcome to our 'Online Safety Tip of The Week'. On each newsletter, we will provide you with some useful hints, tips, guides and fact sheets from the [National Online Safety \(NOS\)](#) website that you as parents and carers will be able to use to help keep your child safe whilst online.

This week's free online safety guide focuses on [Reddit](#). Aimed at children 13 plus, this rather unique site blends the idea of a social network with news, discussion forums and various other media. The site is broken down into a variety of categories covering every topic imaginable with each being treated as a community where users can submit content for users to see and comment on. This can take the form of links to existing online content, or user-generated text and image-based submissions. Submitted content can not only be commented on by others but also rated.

The Big Peover Plod

June 15th 2023

Looking for something rewarding?

This June, join us for a huge fundraising event... with an emphasis on FUN!

The PTA are looking for parents to participate in a 24-hour event in and around Peover. Whether it be an hour walking with a brew, or two hours cycling with a friend, we need willing volunteers to keep moving, through day and night, to generate some much-needed funds for our beloved school.

The more the merrier!

Interested?

Please contact marc.lyons83@icloud.com or vickyaspin@hotmail.com for further details.
