Year 5 and 6 Puberty Talk

Dear Parents/Carers

On Monday 21st May, we have invited the School Nurse (Clare Woolley) to deliver a session to children in Year 5 and 6 about changes to their body as they approach puberty. In line with our school policy on Sex and Relationships the session is part of a planned programme of education about human development, relationships, sexuality and family life which is developmental and appropriate to the age and maturity of the child.

The children will be split into two groups:

Girls 1.15 – 2.15pm

Boys 2.15 – 3.15 pm

The School Nurse will talk to the children about their changing bodies and include an age appropriate power point about reproduction. She will also answer any questions the children may have. Miss Woodward will also be in the classroom to support the discussion.

You may wish to talk to your child before the session about any questions they have.

If you DO NOT wish your child to participate in the session, please complete the form below to opt out. If we do hear from you, we will assume that you give your consent.

Yours sincerely

Lisa Hesmondhalgh
Principal

I do not wish my child _____ to attend the Changing Body Talk on 21st May 2018
