

Images Permission Form

Dear Parent or Carer,

At The Aspire Educational Trust we sometimes take photographs or moving images of pupils. We may use these photos in the school's prospectus, on the school's website and on display boards around school.

From time to time the school may appear in the media and these images may appear in newspapers, on websites or in televised programmes.

To ensure we are meeting the requirements the new (GDPR) data protection rules coming in from 25th May 2018, we need to seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others.

We would like your consent to take photos of your child, and use them in the ways described below. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.
