Peover Superior Curriculum Knowledge and Skills Progression

At Peover Superior, we follow the Religious Education units designed by Oak National Academy. Lessons and units are designed so that pupils build on what they already know to develop powerful knowledge and rich vocabulary.

Knowledge is sequenced and mapped in a coherent format so that pupils make meaningful connections.

Our flexible curriculum enables schools to tailor Oak's content to their curriculum and context.

Our curriculum is evidence based through rigorous application of best practice and the science of learning.

We prioritise creating a diverse curriculum by committing to diversity in teaching and teachers, and the language, texts and media we use, so all pupils feel positively represented.

Creating an accessible curriculum that addresses the needs of all pupils is achieved to accessibility guidelines and requirements.
