## Message from Mrs Munro

We have come to the end of our first half-term of Spring—it seems to have flown by! Amazingly, we are already halfway through this academic year.

The half-term began with great excitement as we enjoyed the snowfall and has ended with a wonderful celebration of Valentine's Day. A huge thank you to my incredible team for organising the Valentine's Movie Night, which was a HUGE success with our children and raised over £280 for school funds. Another massive thank you to our amazing PTA for organising the own clothes day and the Valentine's-themed cake sale, which all raised over £200; again this money will go towards exciting projects and adventures for all of our children so THANK YOU!

This week, our Chair of the PTA, Natasha Lee, hosted her first PTA meeting. Based on your feedback, we held this meeting during Movie Night to allow more parents to attend. It was a fantastic hour of planning, organising, and sharing ideas to help fund future projects, school trips, and new resources for our children; Minutes from these meetings are uploaded onto the PTA section of our school website. New members are ALWAYS welcome so please contact the PTA if you would like to get involved!

**Looking Ahead to Next Half-Term:** We are excited to welcome everyone back after the break, and one of the highlights of the upcoming half-term is World Book Day—one of the most exciting events in our school calendar! Miss Downing and Mrs. Ellis-Stansfield have been working hard to plan a fantastic day full of fun activities. This year, we'll be starting the day with "Breakfast Buttie and Book," where you are invited to join us after drop-off to share a story with your child while enjoying a delicious breakfast buttie for just £1 for each buttie ordered!

Reading with your children is so important, and this event is a wonderful opportunity to foster a love of books while spending quality time together. We look forward to seeing many of you there!

We also have Science Week coming up, and this year, we are reaching out to parents and grandparents who have a career or keen interest in science and would love to inspire our children by sharing their knowledge and experiences. If you would like to take part, we'd love to hear from you! Please contact Janet, and we can arrange a suitable time and date for your visit. Your involvement will help make Science Week an exciting and enriching experience for our children.

Finally, I would like to wish you all a Happy Valentine's Day and hope you enjoy a wonderful half-term break with your families, making special and exciting memories.

Please remember that we have an INSET day on Monday, 24th February, so we look forward to welcoming all children back to school on Tuesday, 25th February, at 8:45. Wishing you all a restful and enjoyable break!

Mrs Munro

## Important Reminders

**CARE** **ACHIEVE** **BELIEVE**

### Request for Absence

The Principal will not grant **any** leave of absence during term time unless there are exceptional circumstances.

It is important for parents to understand that they have no entitlement to take their child out of school for a holiday in term time. Peover Superior uses a specific request form for any absences. We believe this complies with current regulations. This form can be found on the website.

Information regarding the penalty charges can be found on the next page.

### Punctuality

Pupil registration is 09:00am. Please ensure that your child is in school by this time. Our gates open at 8:45am.

### Drop off and Pick Up

Please do not let your child play on the playground equipment before or after school.

There are signs up around the playground and we would be grateful for your support. Thank you!

### Appointments with Teachers

If at any time you would like to meet with one of our teachers to discuss anything at all, please could you book an appointment slot through Janet. Due to time constraints in the morning these appointments will be held after school.

**Safeguarding:** Please could we ask that all parents refrain from entering the main school building or the cabin unless they have an appointment with the Class Teacher, Mrs Munro or Janet.

### Per Parent/Per Child

Penalty Notice fines will continue to be issued per parent per child. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

### First Offence

The first time a Penalty Notice is issued for term time leave or irregular school attendance the fine will be charged at:

£160 per parent, per child if paid within 28 days of the issue, reducing to £80 per parent, per child if paid within 21 days.

(Unpaid penalty notices may result in a parental prosecution)

### Second Offence

Where it is deemed appropriate to issue a second penalty notice to the same parent for the same pupil within 3 years of the first penalty notice, for either term time leave or irregular attendance the second penalty notice will be charged at:

£160 if paid within 28 days. (Unpaid penalty notices may result in a parental prosecution)

### Third Offence

On the third time that an offence is committed within 3 years of the first penalty notice for either a term time leave or irregular attendance a penalty notice will not be issued. ### Online Safety Tip of the Week

This week's free online safety guide, provided by the [National College](#), focuses on [World of Warcraft](#). Originally launched in 2004, the MMORPG (Massively Multiplayer Online Role-Playing Game), encourages players to work together to complete quests, enter dungeons and engage in player versus player (PvP) combat in the realm of Azeroth. Due to the online nature of the game, players are required to pay a monthly subscription fee of £9.99 to play. As well as this the game includes mild violence and offensive language resulting in a suggested age rating of PEGI 12,

### Safeguarding Tip of the Week

#### *Keeping your child safe online*

In today's digital world, children have easy access to the internet, making online safety a top priority for parents. To help protect your child, set clear rules about screen time and online activities. Use parental controls and privacy settings to limit access to inappropriate content. Teach your child about online dangers, such as cyberbullying and sharing personal information. Encourage open conversations so they feel comfortable discussing their online experiences. Regularly check their browsing history and social media activity. By staying involved and informed, you can create a safe online environment and help your child develop responsible internet habits.

### Sustainability Tip of the Week

#### *Replace Your Shower Head*

Showers account for nearly 17% of the water used in homes, making them a significant contributor to household water consumption. Switching to a water-efficient shower head, which reduces flow while maintaining adequate pressure, could save the average household over 12,000 litres of water annually.
