

Meet the Teacher

Welcome

Welcome to Willow Class!

Welcome to the start of your exciting adventure at Peover Superior! We are so happy to welcome you to Willow Class and can't wait to get to know you all.

This year will be full of fun, friendship, play and learning. Together, we'll make exciting memories, go on lots of adventures and make new friends.

Our classroom is a kind and caring place where everyone is valued, encouraged and supported to be their very best. We can't wait to share this special journey with you and your family.

Let's make it a wonderful first year at school together!

Miss Spann – Willow Class

Contact Information

We ask that parents and carers contact class teachers as the first point of call for any questions, concerns, or updates relating to their child. This helps to ensure that any issues can be addressed promptly and consistently by the person who works most closely with your child between the hours of 8am and 5:30pm

You can contact me directly via email

rspann@peoversuperior.cheshire.sch.uk or, if you would prefer to arrange a meeting, bookings can be made through Janet by emailing admin@peoversuperior.cheshire.sch.uk.

Hobbies and Interests...

When I'm not at school, I love spending time with my two little boys, Freddie and Archie. We enjoy going on adventures with our dog, Eric, and exploring the outdoors together—fresh air is definitely my happy place!

I also love visiting the zoo and seeing all the amazing animals. My favourite animals are elephants! In my spare time, I enjoy swimming and listening to country music.

I can't wait to hear all about the things you enjoy doing too

My Favourite Children's Book and Why...

This is such a hard question because I absolutely LOVE books and reading! If I had to choose just one, it would be *Hairy Maclary from Donaldson's Dairy*. It was one of my favourite books when I was little, and I still love reading it today. The funny rhyming words, the cheeky dogs and the wonderful illustrations always make me smile.

Another favourite of mine is *Matilda*. I love it because it reminds us how powerful kindness, courage and a love of learning can be. *Matilda* shows that even when things are difficult, believing in yourself and never giving up can make a big difference.

I can't wait to discover lots of fantastic stories with you in Willow Class!

Key Information

Behaviour

ClassDojo

As a school, we have high expectations for behaviour and expect all of our children to show kindness, respect, and responsibility in all they do. To support this, we use *Class Dojo* - a positive behaviour system that allows children to earn points for good choices and helps us celebrate their efforts.

PE Days

PE days for our class will be on Wednesday and Friday. Children are required to come to school wearing their full Peover PE kit in school colours **only**—this means no branded sports logos or non-uniform items. Wearing the correct kit ensures children are safe, comfortable, and ready to take part in all PE activities while continuing to represent our school with pride.

At Peover Superior, we are committed to ensuring every child receives an excellent education, and consistent attendance is fundamental to achieving this. Regular attendance directly supports academic progress, fosters crucial social and emotional development, and cultivates positive learning habits. By working together – pupils, parents, and staff – to achieve our attendance target of 96%, we create a stable and supportive learning environment that promotes uninterrupted learning, strengthens relationships, and enhances each child's sense of belonging within our school community.

From September, our gates will open each morning at 8:45am and will close at 8:55am to ensure that ALL children are in their classrooms and at their desks to start learning at 9am – Every minute counts!

Homework

From September, homework will be sent out each week by the class teacher. It will follow a consistent layout across the school to help children and families know what to expect and to support a clear routine at home. This method will enable families to access homework easily, stay informed about weekly tasks and support children's learning more effectively. Homework will reinforce key skills taught in class and provide opportunities for children practice and consolidate their learning.

Water bottles and Snacks

Healthy Habits at School

It's important that all children bring a *named water bottle* to school each day to help them stay hydrated and focused throughout their learning. Please also ensure that breaktime snacks and lunchboxes contain healthy options, such as fruit, vegetables, wholegrain items, and low-sugar choices. Supporting your child in making healthy food and drink choices helps them feel their best and do their best every day at school.
